Education

Bachelor's Oct 2019 - Feb 2023
The World Islamic Science University, Amman

Professional Summary

I am a passionate teacher, self-motivated to always improve, and I see an opportunity to learn in any situation. I believe that teaching students a "growth mindset" is important and critical. They have amazing capabilities that still need to be discovered and developed.

Courses

Difficulty Learning and Pronouncing Mar 2023
The course was sponsored by the Professional Arab Trainer Union for Training and Qualification (PATU).
Through the course, I was able to deal with students with learning difficulties.

Internships

University Training
Overload correction for special education Institute, Amman
I gained good experience in dealing with extraordinary individuals. The training was in Down Syndrome and Autism.

Graduation Project
Down syndrome mental disability
I applied the standards that were asked of me, conducted a formal and informal test, and identified the student's weaknesses. Finally, academic skills, mathematical skills, Arabic language and independence skills developed.
The result was excellent.
