Special Education Teacher

Amman Autism center, Amman

- My responsibility was an old girl 13-years who was suffering from moderate autism and epilepsy. Works was done on the independence side, social side, professional side, and the field of attention.
- plans were made to modify the behavior of the student which is the beating behavior.
- I worked with a boy 10-years old had moderate autism, goals were archived for the students academic side.
- Used critical thinking to break down problems, evaluate solutions and make decisions.
- Acted as a team leader in group projects, delegating tasks and providing feedback.
- provided professional services and support in a dynamic work environment.
